

# 23rd

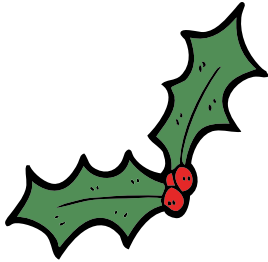

## It's a Cracker Winter Dress Up

### What you need:

A stopwatch, a pair of gloves, a jacket, a scarf, a hat, a start marker.

### How to play:

Ask someone to time you. Pile the items 5m away from a start marker. Run to collect 1 item of clothing and put it on. Run back to your start marker and complete 5 x star jumps, then collect another item. Keep playing until you are wearing all of the items. Stop the clock and see how long it took you. Play the game again throughout the day and see if you can improve on your score.
