

8th

It's a Cracker Elves at Work

How to play:

Pupils are elves. They tuck in their seat and follow the actions called by the teacher to help Santa in his Christmas preparations.

- Elves at work: begin to make toys on the floor
- Hammer those nails: jump on the spot
- Feed the reindeers: hop around your table
- Clean the sleigh: wash high and low
- Children are coming: freeze still so that the children don't see you moving

Option to award points to the table of elves who freeze first every time the last instruction is called.
