

2nd

It's a Cracker Rudolph Run

How to play:

- You have two minutes to collect as many red items as you can and bring them back to your start point.
- Rules: you can only collect one red item at a time.
- At the end of the two minutes, count how many items you have.
- The next part of the challenge is to see if you can put all of the items back in the same time. You can only carry one item at a time.

Playing with someone else? Who can find the most items in the time?

Then, play the game again with a different colour!
