Performance Ideas

Performing in front of the class can be a daunting task for some pupils. Be mindful to introduce this gradually by encouraging pupils to perform without forcing them. Performance is an important part of dance but can also be time consuming if not structured correctly.

Performing, some good ideas:

- Create an environment in which pupils feel safe to perform by teaching the audience how to be respectful.
- Help the audience to structure their feedback with positive comments first, followed by areas to improve.
- Encourage pupils to use the correct dance terminology in their feedback.
- Ways to perform: half the class to the other half, one individual to another, one pair to another, three groups at a time etc.

Key Vocabulary:

• counts • action • travel • shape

• direction • speed • level • space

• balance • timing • mirror • pathway
